

§ 585.87

of Standard No. 126 (49 CFR 571.126) must:

(i) Report the existence of each contract, including the names of all parties to the contract, and explain how the contract affects the report being submitted.

(ii) Report the actual number of vehicles covered by each contract.

§ 585.87 Records.

Each manufacturer must maintain records of the Vehicle Identification Number for each vehicle for which information is reported under § 585.86(b)(2) until December 31, 2013.

§ 585.88 Petition to extend period to file report.

A manufacturer may petition for extension of time to submit a report under this Part. A petition will be granted only if the petitioner shows good cause for the extension and if the extension is consistent with the public interest. The petition must be received not later than 15 days before expiration of the time stated in § 585.86(a). The filing of a petition does not automatically extend the time for filing a report. The petition must be submitted to: Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 20590.

Subpart J—Head Restraints Phase-In Reporting Requirements

SOURCE: 72 FR 25523, May 4, 2007, unless otherwise noted.

§ 585.91 Scope.

This subpart establishes requirements for manufacturers of passenger cars, multipurpose passenger vehicles, trucks and buses with a GVWR of 4,536 kg or less to submit a report, and maintain records related to the report, concerning the number of vehicles that meet the requirements of Standard No. 202a.

§ 585.92 Purpose.

The purpose of these reporting requirements is to assist the National Highway Traffic Safety Administration in determining whether a manufac-

49 CFR Ch. V (10–1–11 Edition)

turer has complied with Standard No. 202a.

§ 585.93 Applicability.

This subpart applies to manufacturers of passenger cars, multipurpose passenger vehicles, trucks and buses with a GVWR of 4,536 kg or less. However, it does not apply to manufacturers whose production consists exclusively of vehicles that are manufactured in two or more stages or that are altered (within the meaning of 49 CFR 567.7) after having previously been certified in accordance with part 567 of this chapter.

§ 585.94 Definitions.

Production year means the 12-month period between September 1 of one year and August 31 of the following year, inclusive.

§ 585.95 Response to inquiries.

(a) *Production year ending August 31, 2010.* At any time during the production year, each manufacturer must, upon request from the Office of Vehicle Safety Compliance, provide information identifying the vehicles (by make, model and vehicle identification number) that have been certified as complying with § 571.202a without regard to any option to comply with the standard in § 571.202 or with the European regulations referenced in S4.3(a) of § 571.202.

(b) *Production year ending August 31, 2011.* At any time during the production year, each manufacturer must, upon request from the Office of Vehicle Safety Compliance, provide information identifying the vehicles (by make, model and vehicle identification number) that have been certified as complying with the requirements specified in § 571.202a for rear head restraints.

§ 585.96 Reporting requirements.

(a) *Production year ending August 31, 2010—(1) General reporting requirements.* Within 60 days after the end of the production year ending August 31, 2010, each manufacturer must submit a report to the National Highway Traffic Safety Administration concerning its compliance with the head restraint requirements specified in § 571.202a, without regard to any option to comply

with the standard in § 571.202 or with the European regulations referenced in S4.3(a) of § 571.202, for its passenger cars, trucks, buses and multipurpose passenger vehicles produced in that year. The report must provide the information specified in paragraph (2) of this section and in § 585.2 of this part.

(2) *Report content*—(i) *Basis for phase-in production goals*. Each manufacturer must provide the number of passenger cars and multipurpose passenger vehicles, trucks and buses with a GVWR of 4,536 kg or less manufactured for sale in the United States. The number must be either the manufacturer's average annual production of vehicles manufactured on or after September 1, 2007 and before September 1, 2010, or, at the manufacturer's option, the manufacturer's production on or after September 1, 2009 and before September 1, 2010. A new manufacturer that has not previously manufactured these vehicles for sale in the United States must report the number of such vehicles manufactured during the production period beginning on or after September 1, 2009 and before September 1, 2010.

(ii) *Production*. Each manufacturer must report for the production year ending August 31, 2010: The total number of passenger cars, multipurpose passenger vehicles, trucks, and buses with a gross vehicle weight rating of 4,536 kg or less that meet § 571.202a, without regard to any option to comply with the standard in § 571.202 or with the European regulations referenced in S4.3(a) of § 571.202.

(b) *Production year ending August 31, 2011*—(1) *General reporting requirements*. Within 60 days after the end of the production year ending August 31, 2011, each manufacturer must submit a report to the National Highway Traffic Safety Administration concerning its compliance with the rear head restraint requirements specified in § 571.202a. The report must provide the information specified in paragraph (2) of this section and in § 585.2 of this part.

(2) *Report content*—(i) *Basis for phase-in production goals*. Each manufacturer must provide the number of passenger cars and multipurpose passenger vehicles, trucks and buses with a GVWR of 4,536 kg or less manufactured for sale

in the United States with rear head restraints. The number must be either the manufacturer's average annual production of vehicles with rear head restraints manufactured on or after September 1, 2008 and before September 1, 2011, or, at the manufacturer's option, the manufacturer's production on or after September 1, 2010 and before September 1, 2011. A new manufacturer that has not previously manufactured these vehicles for sale in the United States must report the number of such vehicles manufactured during the production period on or after September 1, 2010 and before September 1, 2011.

(ii) *Production*. Each manufacturer must report for the production year ending August 31, 2011: The total number of passenger cars, multipurpose passenger vehicles, trucks, and buses with a gross vehicle weight rating of 4,536 kg or less that meet the rear head restraint requirements of § 571.202a.

§ 585.97 Records.

Each manufacturer must maintain records of the Vehicle Identification Number for each vehicle for which information is reported under § 585.96 until December 31, 2007.
